SSAB offers value added products and services developed in close cooperation with its customers to create a .1924 United States presidential election in Maryland The 1924 United States

presidential election in Maryland took place on November 4, 1924, as part of the 1924 United States presidential election. Maryland voters chose 7 representatives, or electors, to the Electoral College, who voted for president and vice president. Maryland was won by incumbent President Calvin Coolidge (R-Massachusetts), running with Chief Justice William Howard Taft, who won the largest percentage of the vote in the state since 1892, with 51.81% of the popular vote. This is the last election where Howard County voted for the winning candidate. Results

References Notes Maryland 1924 Category:1924 Maryland electionsApink's YoonA believes that female rule is a natural position for the Korean government to take and hopes to see it in the near future. On September 16, Apink's YoonA recently made a statement at a press conference on the group's upcoming comeback. During the press conference, when asked about the recent confrontation between the United States and Iran and whether she thought there would be renewed tension in the region due to the recent tensions, YoonA revealed, "The region is continuously changing. If that happened, then it would have to be seen as a long-term
