

REPACK Elden Ring [+ DLC]+ Keygen Free Download

Game Features. Character creation system. Create a character with four key attributes: body, mind, spirit, and soul. Using your body, your personality develops. Choose a weapon with the skills that best suit your play style. Equip a wide range of equipment, including weapons, armor, and magic items. Sending your character into battle. Take on the roles of the characters controlled by other people and head to the battlefield to lay siege to dungeons, gather NPCs, defeat enemy bosses, and accumulate glory. Enjoy fantasy games that are easy to play. Enhance your character based on your achievements in the game. Unified storage system for all your game data. Unlock new content and characters for free. All your game data is stored in a unified storage location and can be accessed from anywhere. No matter what stage you are in the game, your previous data will not get erased. Enhance and/or change your character. If you find it unsatisfactory, you can enhance your character at a night shrine or change your class at a character creation station. Intense PvP. Locate other players who are also fighting for supremacy and charge into battle to compete for the best weapons and armor. Character Management. Search for other players who are fighting in the same area, and team up to defeat monsters. Auto-map. Take on the role of the AI-controlled character, and enjoy an active role in battles. Multiplayer. Fight with other people online through asynchronous multiplayer. You can exchange weapons, armor, and magical items. QUICK LOOK IN-GAME MESSAGE General. Introductory video. Main features of the game. Main Storyline. Relationship between the four elements. Things you can do in the game. How to create a character. How to attack enemies. How to receive quests. 2 Player Vs. Player (PvE). Multiplayer (party system). Dungeon and other objective system. Basic Actions. Specific actions. Potential Actions. Death's Head Illusion. Quest. Quest Action. Weapon and Armor. Basic Actions. Specific Actions. Pot
